BE IT RESOLVED and ORDERED by the BALDWIN COUNTY COMMISSION (herein called "the Commission") as follows:

Section 1. Findings. The Commission has ascertained and found and does hereby determine and declare as follows:

(a) there have heretofore been duly filed with and presented to the Commission

(i) an instrument in writing signed on behalf of the Board of Education of Baldwin County, and

(ii) a request or petition in writing signed by more than two hundred (200) qualified electors of Baldwin County, Alabama (herein called "the County"),

each of which requested that the Commission call and cause to be held, on Tuesday, March 31, 2015, a special election in that special school tax district of the County consisting of all the territory and property of and within the County that lies south of that certain line that is specifically described in the Commission's Resolution #2015-049 (referred to hereinbelow) (which such school district is sometimes known as, and is herein called, "School District No. 2"), for the purpose of submitting to the qualified electors of School District No. 2, for their determination by ballot, the question of whether there shall be levied and collected in School District No. 2, for public school purposes in School District No. 2, a special district school tax of thirty cents (\$0.30) on each one hundred dollars (\$100.00) of the assessed value of the taxable property in School District No. 2, pursuant to Amendment No. 3 to the Constitution of Alabama of 1901, as amended, such tax, if authorized,

(1) to be levied annually for a period commencing with the tax year of the County beginning October 1, 2016 (for which tax year county taxes will become due and payable on October 1, 2017), and continuing until and including the tax year of the County beginning October 1, 2044 (for which tax year county taxes will become due and payable on October 1, 2045), and

(2) not to operate to increase the aforesaid special district school tax now being levied in School District No. 2, but to be in continuation thereof and thereby

to provide for the continued levy of such special district school tax now being levied in School District No. 2;

(b) the Commission did, on December 2, 2014, duly adopt Resolution #2015-049, a resolution and order calling said special election to be held in School District No. 2 on Tuesday, March 31, 2015;

(c) following the adoption of the aforesaid Resolution #2015-049, there were duly appointed the appropriate officers to conduct and make return of such special election (all of whom were, as required by Section 16-13-184 of the Code of Alabama 1975, as amended, residents of School District No. 2 and qualified electors of the beats or precincts in which they respectively reside), and the Sheriff of the County did thereafter notify such officers of their appointment as required by law;

(d) notice of the said special election was duly given by the Sheriff of the County in the manner prescribed by law, viz., (i) by publication in each of The Courier, The Foley Onlooker, The Independent, and The Islander editions of the Gulf Coast Newspapers, at least one of which is a newspaper published and having general circulation in the County, once a week for four consecutive weeks prior to the date fixed for said special election, the first of said publications having been not later than thirty (30) days prior to the date of said special election, and (ii) by posting written notice of said election, not less than thirty (30) days prior to the date thereof, in each of the following three public places in School District No. 2:

Central Annex Building, Robertsdale, Alabama

Baldwin County Foley Satellite Courthouse, Foley, Alabama

Baldwin County Fairhope Satellite Courthouse, Fairhope, Alabama

(e) the said special election was held in School District No. 2 on Tuesday, March 31, 2015, in all respects as provided in said Resolution #2015-049 and in said notice; the ballots used in said special election were in all respects in the form provided therefor set out in said Resolution #2015-049; and, except as noted in the next succeeding subsection (f) of this section, the appropriate election officers have duly made and delivered to the returning officers their respective reports and certificates, which, after being in turn delivered by the returning officers to the Commission, have been duly canvassed by the Commission, with the following results:

A total of 22,081 votes were cast "FOR" said proposed taxation, and a total of 23,255 votes were cast "AGAINST" said proposed taxation, resulting in a majority of votes against said proposed taxation;

(f) all provisional ballots (if any) that were cast at the aforesaid special election are not expected to be either certified, tabulated, returned or canvassed, in accordance with applicable provisions of law (including particularly, but without limitation, Section 17-10-2 of the Code of Alabama 1975, as amended), prior to Tuesday, April 7, 2015; and

(g) the Commission, as the governing body of the County, must, under the provisions of Section 16-13-184 of the Code of Alabama 1975, as amended, and within four (4) days after the said special election, canvass the returns thereof and make a written report under oath declaring the result of the said special election.

Section 2. Canvass of Election. Declaration of Results. Upon the basis of the findings contained in the preceding Section 1, but subject, however, to the provisions of the succeeding Section 3 hereof, the Commission hereby declares:

(a) less than a majority of the qualified electors of School District No. 2 who voted in said special election on the question of the levy and collection of said special district school tax voted in favor of authorizing the levy and collection of said special district school tax of thirty cents (\$0.30) on each one hundred dollars (\$100.00) of the assessed value of the taxable property in School District No. 2; and

(b) therefore, the measure failed and did not pass;

all for the period specified in subsection (a) of the preceding Section 1.

Section 3. Recordation of Canvass. This resolution and order shall be recorded in the proceedings of the Commission; provided, however, that this resolution and order shall be deemed to constitute the canvass, declarations and findings of the Commission, acting as a board of canvassers, if, and only if, this resolution and order is not hereafter effectively amended or modified by the Commission in order to account for the proper tabulation, return and canvass hereafter of any provisional ballots or other ballots (if any) cast at such election and not heretofore reported to the Commission. Further, the County Administrator is hereby authorized and directed, (a) as promptly as practicable following the meeting of the Commission at which the final result of the aforesaid special election is hereafter declared, to cause to be filed in the

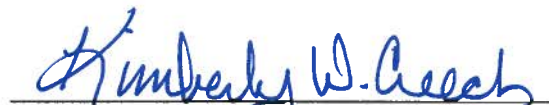

office of the Judge of Probate of Baldwin County, Alabama, a written report of the Commission, under oath, in substantially such form as the Commission shall hereafter approve, declaring the result of said special election, and (b) thereafter to cause a copy of said written report to be published one time in Gulf Coast Newspapers, a newspaper published in the County.

Done, under the Seal of the County Commission of Baldwin County, Alabama, at the Baldwin County Administration Building located at 322 Courthouse Square, Bay Minette, Alabama, on this 1st day of April, 2015.
